

CONFIDENTIALITY OF BOARD DISCUSSIONS

In order to encourage and foster open and candid discussion at its meetings, the Board of Trustees of the American Academy of Pediatric Dentistry Foundation believes confidentiality must be maintained. Therefore, it is the policy of the Board of Trustees that each director shall keep confidential any and all information relating to discussions at its meetings unless compelled by legal process to disclose such information, or as otherwise agreed by the board. While board members are free to discuss board action items, disclosing any information concerning the discussion of such items during the board meeting is prohibited.

Board members acknowledge that any violation of this policy would cause harm to AAPD Foundation and frustrate board deliberations. Therefore, any board member who violates this policy shall be subject to censure and potential termination of his/her board position pursuant to AAPD Foundation's Bylaws.
